

## TRAVIRA End Table

TVTAV (shown with Tekwood Vintage)

### FEATURES

- Leg end caps provide protection from scratching of surfaces
- Pair with Travira or Argento chat, lounge, or poolside seating options

### MATERIALS

Powder coated aluminum is durable and lightweight. The rustproof nature of the frame offers high quality and strength. Tekwood is a wood-alternative developed from polystyrene with the look of wood without the weathering process or maintenance. Lite-Core is an engineered panel that combines the durability of natural stone and the light weight of aluminum.

### CONSTRUCTION
